

# Women Bikers Skills Day

Saturday 21<sup>st</sup> May 0900-1700  
Weymouth College, Dorset, DT4 7LQ

Following on from the success of the Women Bikers Skills Day in 2015 another has been planned for 2016. Like last year it will be for women and run by women which makes for a fantastic atmosphere. This year should be even better with the backing of the Road Traffic Team at Dorset County Council.

The aim is to have an informative day to cater for ALL female bikers, whatever level, whether or not you have passed your CBT, nervous bikers, experienced bikers, or Advanced Riders who may want to test the waters of becoming an Observer or Master Rider, or just to hone your skills - there will be something for everyone.

A day packed with talks, workshops and assessed rides including:

- Advanced Motorcycling Technique plus workshops
- Assessed Rides
- Slow Riding
- Bike Manoeuvring
- Basic Bike Maintenance
- First on the scene First Aid
- Adventure Motorcycling
- 'Try a ride' for women new to biking and those coming back to biking
- Light lunch and refreshments provided
- Optional BBQ on Saturday evening
- Optional Ride Out on Sunday
